Other things to do in Nha Trang:

Mud bathing in Ba Towel: is a new specialty in Nha Trang, which helps tourists relax after hard-working days and treat some kinds of diseases. To achieve the best effect of mud bathing, you shouldn't take a shower again with cold water, especially with soap because cold water and soap will decrease the effect of mud on your skin.

Small note: For patients who have acute heart failure, they may meet some reactions like tired, worried, sleepless while bathing. Therefore, the temperature and amount of time of each person should be paid attention to. After bathing the whole body, you should make your body dry and rest for about 10 to 20 minutes.

Island tour: Tourists will go on a trip which can carry from 45 to 50 people. The tour includes some destinations like Mun Island, Mot Island, Mieu Island (Tri Nguyen Aquarium and Bai Soi- Bai San Beach), Tam Island. If you don't visit these 4 islands when coming to Nha Trang, you are not recognized to have visited this beach city. Cost of this tour: 120,000 VND- 130,000 VND/ 1 visitor. You can book tour in some travel companies like Nha Trang Tourist, Nha Trang Holiday, Nha Trang Sea Island Travel Center, etc. Otherwise, you can ask for some information at your hotel in Nha Trang Vietnam.

* **Small tips:** If you haven't booked this tour yet or you suddenly want to go on this tour, you can go to, you can go to Stone Bridge Harbor (near the Institute of Oceanography) to ask for joining with other tourists. Or you can book hotels and tour with a local travel company as [khách sạn ở Nha Trang](#) to get cheapest price.

Sea diving: is one of the most attractive activities that many tourists want to experience when they visit Nha Trang.

Tips: Normally, you should spend the first day coming to Nha Trang to visit all destinations in the city, then on the second day, you can visit Vinpearl or Let Hill, Ba Islet, etc. Because visiting Vinpearl may make you exhausted for the whole day.
